High demand title workflows

IFM changes
WorldCat Discovery Services

Service Migrations
• A **single** reference and discovery solution to replace FirstSearch and WorldCat Local

• Available to **any library with a FirstSearch subscription**

• **700 libraries** registered since March 31

• Access to FirstSearch will end on **December 31, 2015**
As a FirstSearch library, you receive:

- Single search of all content available through FirstSearch today
- Access to central index of 1.5 billion items
- Option to purchase remote database searching
- Library-branded URL and custom branding
Responsive Web design
If you have OCLC Cataloging and maintain holdings in WorldCat and the WorldCat knowledge base, you also receive:

• Local library collections listed first
• Integrated Link resolution
• Built-in A to Z list
• Customization options:
  – Real-time availability and branch scoping
  – Group view
  – ……
Enhancements every month!
